LONDON, June 1.—The chances of the Americans of securing the ladies' golf championship at Cromer disappeared with the sixth round to-day. The defeat of Miss Margaret Curtis, of Massachusetts, by Miss Thompton, at the 19th hole, was a disappointment to a large number. A big gallery followed this match, which was the best up to the present. Miss Curtis lost on a faulty short put after a brilliant game.

DEFENSE OF RABBITS BY GROVER CLEVELAND

Ex-President Says No Decent Man Will Shoot Them While They're At Rest.

(By Associated Press.)

NEW YORK, June 1.—Rabbits should never be shot while sitting, and no decent man will kill them while they are at rest, declares former President Grover Cleveland in the current number of the Independent.

"I have known them to refuse to start for anything less than a kick or a punch," he continues, "but when they do start, however, they demonstrate quite clearly that they have kept their feet in the best possible position for a spring and run.

"After such a start the rabbit must, in Tairnoss, be given an abundant chance to gain full headway, and when he has traversed the necessary distance for this, and is at his fastest gait, the hunter that shouts him has good reason to be satisfied with his marks-manable.
